SPEAKER_00: So your response can be that the audio or the amp in the can use on it.

SPEAKER_00: That kind of a message is there.

SPEAKER_00: These are the only test tips and it's totally up to you if you want to use any other

SPEAKER_00: threat area you can use.

SPEAKER_00: This is only because like at the presentation time it should not be stopped from getting

SPEAKER_00: another product or some un Woah!

Summary

It's totally up to you if you want to use any other. threat area you can use. This is only because like at the presentation time it should not be stopped from getting another product.
